Santon's Football Team reach the last eight at The Madejski Stadium

The Santon Group sponsor a 5 a-side football team which competes in the Will to Win Ealing League on a weekly basis.

For the second year running, The Santon Group entered their team into The Royals Cup Tournament which is played at The Madejski Stadium, Reading. This year's tournament took place on 27th May, 2012.

Last year, The Santon Group, unfortunately, did not score a goal, only managed to obtain one point and were eliminated at the early group stages. This year, however, was a different story! The Santon team did not concede any goals and were unbeaten at the group stages. After coming second in their group only on goal difference, they progressed to the first knock out stage, coming away with a 1-0 victory which qualified them for the Quarter Finals. Unfortunately, this proved a step too far – they came up against last year's winners, Westcoast, and were beaten 2-0.

The Santon team is looking forward to trying to get even further next year.
