THE SANTON GROUP WINS A PRESTIGIOUS UK PROPERTY AWARD

A select number of the UK's property professionals are about to be rewarded for their excellence. The UK Property Awards 2012 have now been judged and The Santon Group has been informed that it is amongst the winning companies.

Successful entrants have been invited to attend a high profile gala presentation dinner at the London Marriott Hotel Grosvenor Square on Friday, October 12th where the official announcements will be made. All UK winners and entrants are also invited to attend a Property Summit at the same venue on Monday, September 24th. Attended by presidents, CEOs, managing directors, chairmen and other decision makers,

the daytime event presents an ideal opportunity to make connections and generate new business. It is also open to all industry related companies and suppliers in addition to award participants.

The UK Property Awards are part of the long established International Property Awards and its award winners' logo is recognised as a symbol of excellence throughout the global industry. Attaining one of these coveted awards is indisputable evidence that The Santon Group is capable of beating some exceedingly strong contenders within the highly competitive UK property arena.

Later this year, the highest scoring winners from the UK Property Awards will compete against other winning companies from Europe, Asia Pacific, Africa, the Americas and Arabia to find the ultimate World's Best in each category.

Stuart Shield, president of the International Property Awards, says, *"We introduced a new Landscape Architecture category this year and this has been well contested as have several new Interior Design sub-categories. Guernsey in the Channel Islands has also taken part in the Best Estate Agency category for the first time this year."*

"The quality of entries has been extremely high once again and there's no doubt that any company to win one of these awards has shown exceptional levels of professionalism and competence in their respective field."
