Dear Mr Sandhu

The Sandhu Charitable Foundation

Thank you very much for your kind donation of £5000 to the MS Society, which we received on 28 February 2012, it was a wonderful surprise. Please regard this letter as a receipt and formal confirmation that your gift has been received. With your gift, we will be able to continue to provide much needed support for people living with MS.

We've had some remarkable achievements in 2011, including recognition for our Social Media team, who were overall winners for Science Communications at the Association of Medical Research Charities (AMRC) Awards ceremony in March. Later in the year the prestigious 'Public Affairs News' Awards In-house Team of the Year Award went to the MS Society. Our team were commended by the judges for their creative energy and commitment, which helped them become the most outstanding group at influencing policy and increasing the recognition of MS issues.

From 21 April we're extending our popular MS Helpline by opening every Saturday from 10am-1pm for a trial period, so that we can make this valuable service available to more people who are affected by MS.

Without the generosity of our supporters none of these achievements, which mean so much to the MS community, would have been possible. In recognition of your support we would like to invite you to join us at the evening reception we are holding during MS Week. This year the event will take place on **Wednesday 02 May 2012** in London, and I ask that you 'save the date' until we send out formal invitations.

If you would like to receive further information about our work or to meet members of the team, please contact me and I'll be very happy to make the arrangements. On behalf of everyone affected by MS, please accept our sincere thanks once again for supporting our work.

Yours sincerely

(Mrs) Sandy Thomson
