Dear Mr Sandhu

DONATION

I write to express my wholehearted gratitude for your very generous donation of £5,000 to the Heart and Stroke Research Campaign at Northwick Park Institute for Medical Research. Contributions like this are a great encouragement to all our staff and an enormous help to the Campaign.

It would give me great pleasure to meet you and to show you round our Centre for Investigational Proteomics so that you may see our work at first-hand and share our vision of developing better ways of diagnosing and treating heart and stroke diseases.

I sincerely hope you will be able to visit us and would suggest one of the following dates, when I will be available:

Thursday 29 March 2012 at 12pm for lunch
Friday 30 March 2012 at 6pm for dinner
Thursday 12 April 2012 at 6pm for dinner

To arrange your visit, please contact Jayshree, our Fundraising Manager (tel: 0208 869 3284 email: j.shah@imperial.ac.uk).

We are holding our annual House of Commons dinner on Friday 29 June 2012 at 7pm, hosted by the Attorney General, the Rt Hon Dominic Grieve QC MP. I would be delighted if you and a guest could join us.

I look forward very much to meeting you in the near future.

With best wishes,

Professor Shervanthi Homer-Vanniasinkam
