Dear Humphrey,

Well done on completing the Virgin London Marathon 2011, you did an amazing job! The money you have raised will go towards helping vulnerable children around the world get back into safe and caring families. Everyone from EveryChild is very proud of you!

I hope you're not in too much pain today.

It was a great day and very inspiring to see everyone running for such good causes. I hope you heard us cheering you on!

Congratulations and thank you again.

Ellenor

## EveryChild.

EveryChild is an international development charity working to stop children growing up vulnerable and alone. More than 24 million children grow up without parental care, their survival often threatened by greater risk of malnutrition, violence and exploitation; their future lost by missing out on school, and their childhood. Working with local partners we keep children safe when they are alone and at risk. We protect children in danger of ending up on their own by keeping families together. And we get children back to a safe and caring family, wherever we can.
