Dear Mr. Sandhu,

Firstly I would like to wish you a very Happy Belated Birthday for Tuesday and also give huge Congratulations on the 20th Anniversary of The Santon Group. I hope you have been able to celebrate and enjoy both occasions and successes.

As you may have already guessed, I have just received your letter and very generous donation of £5,000 to Friendship Works and wanted to let you know it really has made our day. That you have remembered us throughout all these years and chosen to support us really does mean a lot to us so on behalf of myself, everyone at Friendship Works and most importantly the children we support...

We look forward to writing to you again in the near future to let you know how much of a difference your generosity has made to our organisation and the children we support.

I have enclosed a copy of our latest annual review but please do not hesitate to contact me if you require any further information at all.

Thank you again!

Yours sincerely,

Richard Turner
Chief Executive
