Dear Mr Sandhu

The Trustees of the Family Relationship Crisis Centre would like to thank you and The Sandhu Charitable Foundation for your very generous donation of £10,000.00. This gift has come at a crucial time when like most charities, we are struggling in times of severe austerity.

As an organisation FRCC seeks to move toward preventing and addressing poverty through the "right education" and continues to engage the consultancy and training services of Pastor Trevor Adams. Your gift will certainly be used to support and further the work which FRCC is doing to make a difference in the lives of young people, particularly those who are disadvantaged and at risk within the education system.

We wish you and The Sandhu Charitable Foundation all the very best in all that you do as an Organisation committed to making a difference to the lives of ordinary people.

Yours sincerely
