Dear Dr Sandhu,

Thank you so much for your very generous donation - it will really make a huge difference.

As correctly mentioned in your letter to us, your donation of £10,000 will be used in providing meals for 1000 children in India for an entire year.

We run a sponsorship programme, '**Adopt a school**' by which every £2500 donated, we are able to allocate a school in India in a location of your choice and install a plaque on the wall with sponsor's name printed on it. We are therefore pleased to offer you to be part of this programme and we can allocate 4 schools against your contribution.

I attach a form for this purpose which is self explanatory. Please may I request you to fill the required details and scan/email or post us the form back so we can action this process.

After we receive the form, we will contact you in a few weeks with the names of schools allocated, and pictures of the plaque installed there. You can also visit the schools and the nearest kitchen over the year and experience firsthand the difference your donation is making in the lives of these children.

I look forward to hearing back from you and many thanks once again for your support to the cause,

Warm regards,

Dipika Khaitan
