Dear Bim

Thank you so much for your incredibly generous gift to ORBIS through the Sandhu Charitable Foundation. It was lovely to speak to you last week. I watched the clip about the woman who had the cochlear implants - very moving.

Your generous donation to ORBIS will have an enormous impact on people's lives by helping us to preserve and restore adult and children's sight in the poorest parts of the world.

To date our ORBIS programmes have trained over 325,000 doctors and nurses in 92 countries. But we have so much more to do. 80% of blindness is preventable or treatable.

I am pleased to enclose 'Through their eyes' - a short film (26 minutes) narrated by actor Daniel Craig about his ORBIS experience in Mongolia in 2012.

I would be delighted to meet with you if you would like to hear more about our specific projects. Please do not hesitate to contact me.

Many thanks, again, and best wishes
