Subject: A special thank you for your donation...

Dear Bim

I had a lovely surprise waiting for me this afternoon. I'm absolutely thrilled that The Sandhu Charitable Foundation have donated £15,000 to support our Engal Kural Project in India to protect marginalised children through education and empowerment.

On behalf of EveryChild I'd like to thank you personally for your generous donation, indeed more than we originally requested. EveryChild is so fortunate to benefit from your ongoing support as a sponsor and key donor.

I will be following up with a formal confirmation of the donation but wanted to take this opportunity to thank you personally this evening.

With thanks and best wishes
Ellenor
