31 July 2014

UNICEF UK gratefully acknowledges safe receipt of £15,000 towards our regular resources as part of your involvement with the Global Guardian fundraising programme from July 2014 until July 2016.

This upfront payment of £15,000 is in respect of three year's payments of £5,000 each. The UK government will match your full £15,000 gift pound for pound to help UNICEF's work for children.

Thank you very much for supporting UNICEF's work – your flexible gift is greatly appreciated and will make a significant difference to the lives of some of the world's most vulnerable children. Your gift has also leveraged further funds for UNICEF's work preventing and treating malnutrition in Sierra Leone, Liberia and South Sudan.
