Dear Bim

First of all, please accept our sincere apologies for the delay in responding to your letter of 17th March 2015.

Once again, I am speechless... what can I say!

On behalf of the Trustees I would like to convey our deepest gratitude to yourself and The Sandhu Charitable Foundation for your very generous donation of £10,000.00 to support the work which we are doing to make a difference, particularly in the lives of vulnerable young people.

Your kind donations over the past few years, has enabled us to continue to deliver much needed work in impacting the next generation through educating them how to turn their setbacks and disadvantages into opportunities and stories of success.

I would like to wish you and The Sandhu Charitable Foundation all the very best in all that you do as an Organisation committed to supporting and making a difference to the lives of ordinary people.

Every blessing

Ps: I never did hear back from Harrow Academy with regards to running a Heroes Journey Programme with them.
