

Dear Bim,

I am writing to add my thanks to you and your organisation for the fantastic donation you made recently, after the RAF club meeting in London. As I'm sure you will appreciate the money will go towards projects which will help a large number of people - especially children, and we are all extremely grateful.

I hope you will pass on my thanks to all those involved.

The event took a lot of organising and the whole team in London share the credit for it going so well, but to have a response such as yours makes it all worthwhile - we really are very thankful.

I hope when the new aircraft arrives later this year you will have the opportunity to come and see it - it will enable us to carry on delivering and expand the services we offer around the world. Donations like yours make it all the more possible to carry on the teaching, training and skills transfer that are so important in making eye care sustainable.

Once again very many thanks,

Best wishes

Larry
