Dear Dan

Further to our discussion On the work of Orbis, in particular in Africa, I read with interest about the work of your own Foundation in Nepal which, as you say, has a slightly different approach to the gift of providing or improving sight in the poorer regions of the world.

I am pleased to attach a cheque for £3,000 made payable to the London Vision Clinic Foundation to assist you in your invaluable work.

We should be grateful if you would confirm receipt in due course for our audit purposes.

Kind Regards,

Bim Sandhu
