Dear Pardeep and Jim,

It was a real pleasure to meet you at the Lunch. I hope you are immensely proud Pardeep of what you and your Committee have achieved in support of the Anne Frank Trust – I know that many people I spoke to on the day said it was the best and most moving Annual Lunch to date.

I'd also like to take this opportunity to thank you both so much for renewing your support as Benefactors with your incredibly generous donation of £30,000. Please accept this letter as our official receipt.

We are immensely grateful that you have once again chosen to increase the level of your gift by such a significant amount. Please know that it makes a real difference to the work we do and that you are investing in a safer, fairer, more inclusive future by giving young people the opportunity to gain the confidence and skills to challenge prejudice and promote positive attitudes. Your gift will directly benefit thousands of young people and, through them, their friends, families and communities.

As Benefactors we would like to continue recognising your fantastic support by including your names in our literature, such as our Annual Report, and on our website; if at any time you decide you would prefer to change this, please do let me know. You are of course also entitled to:

- Regular updates and opportunities to meet trustees and key staff
- A private VIP tour of the Anne Frank House in Amsterdam (excl. flights & accommodation) – please contact me if you would like this arranged for you

If you would like further information on any of the Trust's work, or are interested in visiting one of our projects to see the impact of your gift first hand, please do contact me on 020 7284 5858 or by email on renata@annefrank.org.uk.

On behalf of everyone at the Trust, thank you again. We truly appreciate your long-standing and committed support of our work.

With warm regards,

Renata Czinkotai
Interim Head of Fundraising
