Dear Bim and Pardeep,

I want to personally thank you for The Sandhu Charitable Foundation generous donation of £2500 in support of The Property Walk

With this money, Landaid will be able to keep working on providing safe, secure accommodation for young people facing real hardship here in the UK.

With over 80,000 young people expected to experience homelessness this year, LandAid has an ambitious target to award even more grants to life-changing projects over the next two years. That's why your continued support is so valuable more now than ever.

Thanks to The Sandhu Charitable Foundation, fewer young people will have to face the uncertainty of not knowing where they will sleep, the fear of violence or assault or the feeling of being forgotten. On behalf of LandAid and the young people you have supported, thank you again.

With kindest regards,

Paul Morrish
