Dear Bim and Pardeep,

I am writing to thank you both so much for your support through the Sandhu Charitable Foundation for fully funding 3 reading helper volunteers in Grange Primary School, as well as contributing to our work in the borough of Ealing. Your ongoing support of £7,500 per year has an incredible impact and enables us to support children in the area who need 1-2-1 attention to increase their reading attainment.

With 175,000 children still not reaching the expected levels in reading by the time they reach Secondary school, we still have a great deal of work to do and it is with the support of ongoing donors such as yourselves that we can make this change.

We would be happy to arrange a visit to Grange Primary again this year if you want to see the volunteers in action again so please do let me know if this might be of interest.

Kind regards,

Kate Dolleymore
Head of Trusts and Foundations

Thank you so much!
