Dear Mr. Sandhu,

I want to thank The Sandhu Charitable Foundation for your generosity in supporting us with a gift of £10,000 towards our vital work at this time of emergency. As the situation with coronavirus continues to evolve, your support is crucial in ensuring our clinical teams across the country can still be there, caring for people and their loved ones when they need us most.

In these extraordinary times the Trustees kindness will ensure our services remain open and that we can continue supporting our NHS colleagues too, ensuring people at the end of their lives can remain in their place of choice. Thank you.

Our Marie Curie Nursing Service is still there providing direct care to people in their own homes, so are our nine hospices across the country which continue to stay open 24 hours a day. Our Information and Support line is providing critical emotional support to anyone who needs us.

We have a critical role to play to lift society through this turbulent time. On behalf of each and every one of us here at Marie Curie, thank you for your support.

I look forward to keeping you updated on the impact of your donation and Marie Curie's developments.

Very best wishes,

Ellie Green
Philanthropy Executive
