Dear Mr and Mrs Sandhu,

On behalf of the Business School and the wider University, I would like to say thank you for continuing to support our students through your generosity. Your gift will ensure that two talented and bright individuals will be financially supported during the entirety of their undergraduate studies at the Business School.

As you may be aware, studying in one of the world's most global and international cities is an enriching and unique experience but one that comes with its costs; for some, it is enough to dissuade them from entering Higher Education. Donations such as yours takes away that financial stress and enables students from financially disadvantaged backgrounds to reach and fulfil their potential.

Please find this letter of thanks as acknowledgement of your kind gift along with a gift receipt for your records. Should you need any further information or have any questions, please do not hesitate to ask me or my colleague Joao Da Silva.

Yours sincerely,

Mylen Namocatcat
Development Manager
