Good afternoon,

I wanted to email and add my huge gratitude to that of Charlie and Piers for the very generous gift you sent OCD Action last week. This will have a huge impact, at a time of significant need and I am personally enormously grateful.

For the avoidance of any worry, I wanted to confirm that we received the money into our bank account on the 15th of December.

I hope you and your family have a good break over the holiday season and I wish you well for 2021.

With the best of wishes,

Leigh
