Dear Bim

RE: Dyspraxia Foundation Donation

We are so incredibly grateful to you for your very kind and unexpected donation of £5,000. Your generous support is hugely valued, particularly in these uncertain times that we find ourselves in. We are finding that our community are turning to us more than ever for support and resources to help them at this difficult time, so this gift could not come at a better time.

Thanks to your kindness we can ensure that we are there for those with dyspraxia as well as be able to reach out to more people affected by dyspraxia and make a difference.

Thank you so much once again for your valued and kind support – it means a great deal to us.

Yours sincerely,

Eleanor Howes
