Dear Bim and Pardeep,

I am writing to thank you for your generous donation of £10,000 towards Pancreatic Cancer UK's match funding campaign. Please accept this letter as an official receipt of your donation.

Your support of our work and this campaign means your donation will be matched by other philanthropists, securing an additional £10,000 towards our early diagnosis research programmes. We are so grateful for this significant and kind gift.

As you may know, right now doctors have no simple way of spotting pancreatic cancer early enough for treatment. The symptoms are often vague, and there is no simple diagnostic test. But your donation will help change that, supporting our research and potentially giving thousands of families more time with their loved ones.

Once again, thank you for continuing to be such a valued friend of Pancreatic Cancer UK and helping us to double the impact of our vital life-saving research. I look forward to keeping you both updated with our work, and if you have any questions please do not hesitate to contact me.

Yours sincerely,

Miss Sophie Hunter
