Dear Sandhu Charitable Foundation,

**Thank you to everyone at Sandhu Charitable Foundation for supporting Shooting Star Children's Hospices.**

Thank you so much for continuing to support Shooting Star Children's Hospices. Support from organisations like Sandhu Charitable Foundation help us to make every moment count for babies, children and young people with life-limiting conditions, and their families.

Daily life for families who have a child with a life-limiting condition is unpredictable. That's why our service is available 365 days and we provide flexible support.

***"There are no guarantees in life, you just have to make the most of the time you've got with your family and keep positive, and Shooting Star Children's Hospices has proved that there is a light at the end of the tunnel."*** Rajbinder, Arjun's Mum

You and your organisation's ongoing generosity is hugely appreciated – without your help, we wouldn't be able to provide the care and support that we do to families living in unimaginable circumstances.

On behalf of all the families we have supported in the past, those we support today and the families we will support in the future, thank you.

With warmest wishes,

**Anne Carey**
