Dear Trustees,

We would like to thank you for your recent donation towards Cancer Research UK's life-saving research. We're hugely grateful for the support you have shown to help us beat cancer.

As you know, our vision is to bring forward the day when all cancers are cured. In the 1970s, only 1 in 2 people survived their cancer for ten years or more. Today, thanks to research, that figure has doubled. With the extraordinary generosity of supporters like you, we're funding cutting-edge research into the prevention, diagnosis and treatment of cancer so that we can accelerate progress and see more people than ever survive the disease.

Please accept this letter as a formal receipt for your donation.

Cancer Research UK acknowledges with sincere thanks the sum of £2,000.

Signed: Phoebe Allen (on behalf of the Treasurer)
