Dear Bim,

I wanted to thank you for your truly generous investment in the future of young people with the donation of £18,000 we recently received from The Sandhu Charitable Trust. I am truly grateful you have chosen to continue to support our work so generously in our 60th Anniversary year.

Your personal intervention has unlocked matched funding of a further £18,000 ensuring we can deliver financial and enterprise education for young people living in some of the most disadvantaged areas of the East Coast of England. We will keep you updated and if at all possible, it would be wonderful if yourself and Pardeep might consider visiting a programme in the next few months.

On a personal note, I really hope we can keep in touch, as I very much appreciate our discussions. I will certainly keep you updated on events we have planned for the remainder of our 60th Anniversary year.

Very best wishes
