My dear Bim

What a lovely surprise. Just what the doctor ordered.

Thank you for such a generous donation, gratefully received which I would wish to be allocated to our Wheelchair Programme.

Thank you for your kind words but you and Pardeep have been great supporters.

It has been a very special birthday.

My very best regards

Neil

Dear Neil

Just wanted to wish you a very Happy Birthday from Pardeep & I as well as everyone at Santon. Thank you for allowing us to share in your family and friends' celebration at the Ivy.

We were a bit lost as to what get someone who has everything so we thought the best present we could get you was to contribute of £8,000 to Variety in celebration on top of our commitment for this years Props. We have authorised the transfer today. Feel free to allocate it to whatever cause you want within Variety.

Both you and Pamela have done such an amazing job at Variety, and you should be rightly proud of your achievement in helping so many children. You are an inspiration to us all.

With very best wishes on your special day.

Kind Regards,

Bim Sandhu
