Dear Trustees,

Cancer Research UK would like to thank all of you at The Sandhu Charitable Foundation for your very generous donation of £4,000. Please accept this letter as a formal receipt.

Your gift is helping us create a world where everybody can live longer and better lives free from the fear of cancer. Donations like yours mean we're able to fund some of the world's best scientists to carry out cutting-edge research that saves and improves lives every day. Your support brings hope to people affected by cancer. Thank you.

We look forward to staying in touch with our regular publications. If you have any questions, or if you would like to change the way we communicate with you, please reach out.

Warmest wishes
